*Crystallizing
Palm Wax*

A crystalline wax ...what beautiful candles. The larger diameter pillar candles burn down the center, creating a lantern effect

Soy wax

Soap and water cleanup is one of the added features of using this wax for containers, since they can be easily re-used

Beeswax

We are proud to have our own hive of bees to provide us with honey and beeswax. I use a blend of beeswax with some soywax to create pillars and votives that burn well and long with a wonderful, natural honey scent and warm flame.

*These candles have their
own scent*

Featured Scents

Lavender

Orange-Spice

Rosemary

Lavender and Lemongrass

Fresh- Lemongrass, peppermint, & Basil

Cold and Sinus- with eucalyptus and peppermint
